

# Wholesale

## Stock management, connect branches, reduce waste...

Our software is perfect for your business and deployed by many big brands globally. We have listed general everyday problems you may face that Emperium can easily solve.

! Problem	Emperium Software Feature	✓ Solution
I want to sell depending on seasons & other attributes	<b>STOCK MANAGEMENT</b>	Allow for seasonal purchasing , manage stock ,colours, promotions, labels and pricing
I need to see my best and worse sellers	<b>REPORTS</b>	Monitor profit and loss. See sales for any category and manage with stock management
I want to know who is operating the EPOS System	<b>STAFF MANAGEMENT</b>	Loss Prevention and minimal shrinkage methods as well as knowing who has access rights to certain functions on the EPOS Hardware with Emperium software enabled
I want to sell online and link my in store sales	<b>ECOMMERCE</b>	Give updates on stock levels and offer sale items instantly online to increase revenue
I need to access my EPOS away from the business	<b>BACK OFFICE</b>	Keep on top of your inventory and update prices with back office.
