

Restaurants & Takeaways

Reduce Waste, Stock Control, Table Management and more...

Our software is perfect for your business and deployed by many big brands globally. We have listed general everyday problems you may face that Emperium can easily solve.

! Problem	Emperium Software Feature	✓ Solution
My business is a fast paced environment	HOT KEYS	Customers get served quicker Staff require less training and stay stress free
I need to see my best and worse sellers	REPORTS	Monitor profit and loss. See sales for categories like beverages and food with stock levels.
I want to know who is operating the EPOS System	STAFF MANAGEMENT	Loss Prevention and minimal shrinkage methods as well as knowing who has access rights to certain functions on the EPOS Hardware with Emperium software enabled
I want to reserve tables for visitors	TABLE MANAGEMENT	Fill empty seats and maximise the potential of your establishment to increase revenue
I need to access my EPOS away from the business	BACK OFFICE	Keep on top of your inventory and update prices with back office.
