

Beauty & Nail Bar

Merchandising, Ecommerce, Gift Cards and more

Our software is perfect for your business and deployed by many big brands globally. We have listed general everyday problems you may face that Emperium can easily solve.

! Problem	Emperium Software Feature	✓ Solution
Some staff members work odd hours and on timetables	ROTA & COMMISSION	Manage staff, view appointments made on the system by individuals and hours worked
I need to see my best and worse sellers	REPORTS	Monitor profit and loss. See sales for categories like OPI /Gel varnish or treatments.
I want to provide gift cards and create a database	LOYALTY MODULE	You can store customer details as well as send text messages or emails for offers. Track history for treatments or products sold and keep them coming back whilst benefiting both the consumer and merchant.
I want to sell online and link my in store sales	ECOMMERCE	Give updates on stock levels and offer sale items instantly online to increase revenue
I need to access my EPOS away from the business	BACK OFFICE	Keep on top of your inventory and update prices with back office.
